DETAILED ACTION

This is in response to amendment filed on 10/22/07 in which claims 1-19 are pending. The applicant's arguments have been fully considered therefore this case is in condition for allowance.

Information Disclosure Statement

1. The information disclosure statement filed on 10/23/06 fails to comply with the provisions of 37 CFR 1.97, 1.98 and MPEP § 609 because the IDS under the Non Patent Literature Document does not has a publication date. It has been placed in the application file, but the information referred to therein has not been considered as to the merits. Applicant is advised that the date of any re-submission of any item of information contained in this information disclosure statement or the submission of any missing element(s) will be the date of submission for purposes of determining compliance with the requirements based on the time of filing the statement, including all certification requirements for statements under 37 CFR 1.97(e). See MPEP § 609.05(a).

Allowable Subject Matter

1. The following is an examiner's statement of reasons for allowance: the prior arts of record fail to anticipate or render obvious the following recited features: producing a layered modulation signal for at least one receiver, the layered modulation signal comprising both the upper layer signal (-t-a00-) and the lower layer signal ~ interfering with each other within the frequency baud ~ such that the upper layer signal ~ can be

demodulated directly from the layered modulation signal and the lower layer signal ~ can be demodulated after subtracting the upper layer signal ~ from the layered modulation signal; and wherein the upper layer signal and the lower layer signal each have a bandwidth ratio of no more than 0.2 and substantially no guard band is used within the frequency band as recited in claim 1.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
